REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on December 29, 2003 has been entered.

The claims are free of the prior art for the reasons argued by applicant on October 29, 2002. The microemulsion disclosed in US Patent 6,716,473 is similar to the present composition but there is no suggestion in the claims or specification that the composition could be useful in frying.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Carolyn A Paden whose telephone number is 703-308-3294. The examiner can normally be reached on 7am to 3:30pm, Monday to Friday.
